

# Dulux® Kitchen & Bath

A Durable, Stain-Resistant Paint,  
Ideal for Humid Environments

# An Elegant, Easy-To-Clean Finish

**Dulux Kitchen & Bath is a specially formulated, premium quality, 100% acrylic, water based paint that delivers enduring beauty in an elegant, long lasting finish.**

This product utilizes the latest engineered, advanced stain removal technology to create a tough, easy-to-clean, ultra protective finish. It maintains a fresh appearance in areas with high humidity, condensation and grease caused by cooking, and frequent washings. It is exceptionally easy to apply without spattering, is extremely high hiding and contains virtually no odour, allowing you to paint and occupy your space in the same day.

Dulux Kitchen & Bath is ideal for use in kitchens, bathrooms, laundry rooms and basements as well as for light commercial and institutional applications such as schools, hospitals, nursing homes and restaurants.

Available in Eggshell and Semi-gloss finishes.

## Features & Benefits

-  **Moisture and Mildew Resistant Finish** protects and shields against moisture and the growth of mildew fungi.
-  **With Zero VOC Formulation**, rooms can be painted and occupied in the same day, causing minimal disruption to your routine.
-  **Formulated with E-Z Clean Technology** allows you to easily remove tough stains.
-  **With Non-Yellowing Finish Untinted**, this product maintains an outstanding, bright white finish that will not yellow overtime, cutting down on maintenance cycles.
-  **Super Adherent** adheres tightly to previously painted latex surfaces without having to prime or sand the area first – saving you both time and money.

**Keeps Kitchens and Bathrooms  
Looking Their Best.**

# The Dulux Difference **Superior Quality Paint, Great Value.**

Dulux is the world's leading brand of premium quality paint. Our paints consistently live up to the Dulux reputation for verifiable, total product performance that you recognize and expect. Dulux paints are made with superior raw materials and undergo extensive product testing with chemists, field experts and professional painters before reaching our store shelves.
