

Dulux Weatherguard

A range with all the elements to beat the elements.

Dulux Weatherguard offers unbeatable protection against the worst that the weather can throw at it. Wherever there's a need to protect and enhance the exterior of a building, Dulux Weatherguard delivers outstanding performance.

Dulux WEATHERGUARD

Dulux Weatherguard is a premium quality, 100% acrylic latex exterior paint, designed for use on most exterior surfaces. This product is specially formulated to provide excellent weather resistance, easy application and a quick curing time, resulting in a long lasting, uniform finish. In addition, Dulux Weatherguard forms a breathable film that allows moisture vapour to pass through, while preventing the penetration of liquid water, giving it a high resistance to blistering and peeling.

Available in Flat, Satin, Semi-Gloss and Gloss finishes.

Feature	Benefit
100% Acrylic	Forms a breathable film that resists blistering and peeling caused by moisture
Excellent weather resistance	Protects surface against the extremes of Canadian weather conditions
Excellent gloss & colour retention	Paint resists fading and maintains a long lasting, uniform finish
Excellent adhesion	Adheres to a wide variety of substrates, requires no sanding or priming over previously painted latex, saving you time and money
Low Temperature Application	Extends the painting season

Dulux WEATHERGUARD MAXIMUM

Dulux Weatherguard Maximum applies thick to cover hair line cracks and provide outstanding hide. Its semi-elastomeric properties allow the paint coating to expand and contract with extreme temperature changes, reducing the amount of cracking and peeling to the paint surface. This product is uniquely formulated to deliver long lasting protection for exterior surfaces threatened by the elements, delivering extended maintenance cycles and long-term cost savings. Over time, a surface painted with Dulux Weatherguard Maximum will keep a newer, brighter appearance compared to conventional water-based exterior paints.

Available in a Satin finish only.

Feature	Benefit
Semi-Elastomeric formulation	It's more flexible, providing superior protection from extreme temperature changes.
High Build	One coat coverage over previously painted surfaces, saving you time and money.
Part of the Dulux Weatherguard line	All Weatherguard paints deliver easy application and outstanding durability. Our Maximum line delivers all of these benefits & more.

The Dulux Difference

Superior Quality Paint, Great Value.

Dulux is the world's leading brand of premium quality paint. The guiding principles for any Dulux paint product are to ensure they consistently live up to the Dulux reputation for verifiable, total product performance that is both recognized and expected by our customers. As you would imagine, all paints are not made equal; Dulux paint is made with superior raw materials and undergoes extensive product testing with chemists, field experts and professional painters in Canada before it ever reaches Dulux store shelves.
